MINUTES OF THE ANNUAL GENERAL MEETING HELD 14 DECEMBER 2018  
AT BEMBRIDGE SAILING CLUB – 6:30PM  
FOR THE YEAR ENDED 30 JUNE 2019**

---

**Present:** The following Trustees: C Attrill, J Gully (Chairman), F Hetherington (Secretary), M MacInnes, J Raymond and S Smith; Plus 23 Members of the Trust.

**Apologies:** There were 9 apologies given.

1. **Minutes:** Having been circulated with the Agenda, the Minutes of the 11th AGM held on 8th December 2017 were considered approved and signed.
2. **Trustees' Report and Accounts:** Having been circulated with Agenda, attention was drawn to an amendment on page 14 (In the column 2 line 4 the figure of £21,800 is deleted, and replaced with £27,500. The entry £27,500 in line 5 is deleted. The Total Income figures were and remain correct, which the meeting was assured made no difference to the totals within the accounts at the foot of the page and that the amendment had been included in the copies circulated to the Authorities. The meeting received the Trustees' Report and Accounts.
3. **Trustees retiring by rotation:** Felix Hetherington and Jeremy Gully retire by rotation and both had offered themselves for re-election:
  - a. To re-elect Felix Hetherington - Proposed by Donald Biddle and seconded by Chris Bland and voted in favour unanimously.
  - b. To re-elect Jeremy Gully as a Trustee and as Chairman - Proposed by Chris Bland and seconded by Peter Grimaldi and voted in favour unanimously.
4. **Appointment of Independent Accountant:** It was proposed by Chris Bland and seconded by Robin Ebsworth that Moore (South) LLP be appointed as Independent Accountants and voted in favour unanimously.
5. **Future funding of the Trust:** The Chairman reminded Members that they had each contributed £500 to the Trust at its formation 12 years ago - that equated to about £50 per year. Since the initial donations, the costs of the Trust over that period had depleted funds such that, for the work of the Trust to carry on, further funds were required to meet its running costs. The Trustees suggested Members be invited to make a further contribution of £50pa (or £4 per month) for the foreseeable future which could be set up through "MyDonate" on the Trust's website. The meeting endorsed the Trustees' suggestion.
6. **Work of the Trust and its future strategy:** The Chairman set out the work of the Trust particularly progress towards reinstating the Groyne (lead by BHUG and Chaired by Michael MacInnes) and success in working with the Planning Authority to issue a Lawful Development Certificate for 25 authorised Houseboats plots. Trustees continue to be concerned about increasing siltation within the inner harbour and are encouraging that steps be taken to limit silt entering via the river Yar, and silt from seaward which the groyne project is designed to limit. Work continues on seeking to get obtain a proper return for the Statutory Harbour Authority from the planning application by Bembridge Investments Ltd through working with the Planning Authority on the S106 Agreement to accompany planning consent. Much had been amended through advice from the Trust to the Authority.

Trustees had welcomed the interest shown by the GMB Union and its former General Secretary (a local resident) in the future of the Harbour and clarity in what was involved.

There had been a complaint to the Fundraising Regulator in relation to the Trust's part in efforts through the Coop's "Love your Neighbourhood" scheme to raise funds for the Groyne refurbishment project. A response had been submitted by the Trust, supported by BHUG which leads on the project and an outcome is awaited.

## **Achievements and Performance**

The principle activities of the Trust during the year have been as follows:

The Trust has strived to ensure investment in the Harbour by its owners takes place, particularly with regard to profits that may be generated by the long running residential planning application. The Trust with its advisers has carefully reviewed and commented on the number of draft legal planning Section 106 agreements that have gone back and forth over the year between the local planning authority and the property company applying to develop the land adjacent to the Harbour. The aim of the Trust has been to ensure that if the developments proceed, the Harbour receives the financial benefit to which it is entitled to by law. <sup>1</sup>

The Trust has actively supported the proposed repair of the Bembridge point Groyne, as promoted by BHUG. This activity has included raising funds through a Southern Cooperatives initiative. Trustees sit on the BHUG Groyne committee. <sup>2</sup>

The Trust has highlighting actions required by the Isle of Wight Council and others to ensure any increase in the number of houseboats or developments associated with existing houseboats are permissible under current planning legislation. Also, to ensure that any monies raised by such houseboat developments or plot sales are invested back into maintaining the infrastructure of the Harbour as is required under the 1963 Act governing the Harbour Company. <sup>3</sup>

The Harbour Company's compliance with the '63 Act has been monitored and compliance with the Government's clear '2018 Ports Good Governance Guidance', which calls for reasonable transparency, has been encouraged. Adherence to the Act and governance guide would help ensure the Harbour receives the investment in its infrastructure that is so badly required.<sup>4</sup>

Following good practice, Trustees commissioned an independent audit of the Trust's operations seeking reassurance that they comply with the rules and guidance of its regulator, the Charity Commission. The audit showed the Trust to be compliant subject to minor recommendations including declarations of interests, succession planning and presentation of accounts. The Trustees have implemented all these recommendations.

Trustees periodically review the Trust's ongoing regular incomes compared to its day-to-day running costs. Future funding recommendations have been prepared for discussion at the AGM.

TRUSTEES' ANNUAL REPORT CONT ...**

**FOR THE YEAR ENDED 30 JUNE 2019**

---

Major individual projects rely on one-off donations from Members. Such funds have been called for and received during the year, ensuring the Trust is financially sound and sustainable into the future.

Finally, Trustees seek the recruitment of new Members and Friends of the Trust. They also are always open to considering the appointment of new Trustees, seeking new skill sets and those with fresh insights that will help ensure the long-term viability of the Harbour.

**Financial Review**

The Trust incurred a deficit in the year of £2,542 (2018 deficit of £10,495). Of the donations, £6,245 were restricted to the consultancy costs relating to planning and management issues in the harbour and for Bembridge Groyne repairs, and have been shown in the restricted fund. At the year end restricted funds of £2,227 (2018 - £8,042) were carried forward. General funds of £5,675 were carried forward to 2019-20 (2018 - £2,402). These are considered as the Charity's free reserves.

The Reserves policy is to establish and maintain a reserve fund for its unrestricted running costs based on the prior year running costs plus 10%. This would suggest reserves of £3,500, and so is reflected within the year end unrestricted funds. Income generation and future funding remains a key issue for the Trustees.

## **1 Accounting policies**

### **1.01 General information and Basis of accounting**

The company is a registered charity (number 1120225) and is a company limited by guarantee, registered in England and Wales. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office, together with the objects of the Charity are given in the charity information page of these financial statements.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, Companies Act 2006, and UK Generally Accepted Accounting Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1. The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

### **1.02 Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity, and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

### **1.03 Income Recognition**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Donations are recognised by the charity on receipt, or when notified of the amounts and the settlement date and receipt is probable. If there are conditions attached to the donation, and this requires a level of performance before entitlement can be obtained, then income is deferred until those conditions are fully met.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

Income earned from fundraising events and trading activities to raise funds for the charity are recognised when entitlement has occurred.

### **1.04 Expenditure Recognition**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required, and the amount of the obligation can be measured reliably. As the Charity is small, an analysis of direct charitable expenditure, with associated support and governance costs are provided on the Statement of Financial Activities.

### **1.05 Taxation**

The charity is not liable to Corporation Tax on its charitable income and expenditure.

**BEMBRIDGE HARBOUR TRUST  
(A COMPANY LIMITED BY GUARANTEE)  
NOTES TO THE ACCOUNTS CONT ...**

**FOR THE YEAR ENDED 30 JUNE 2019**

**1.06 Going Concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**1.07 Judgements and key sources of estimation uncertainty**

There are no major judgements or assumptions relating to estimates that are required to be disclosed in the preparation of these financial statements.

**1.08 Financial assets and liabilities**

The Charity has only basic financial instruments as defined by FRS102. Financial instruments are recognised in the statements of financial activities at cost when the Charity becomes a party to the contractual provisions of the instrument.
